The museum will commemorate the 5th anniversary of the sinkhole with a virtual cave tour. The 360-degree interactive tour of the south side of the cave was launched on the Museum's website. The tour allows virtual visitors to explore nearly every inch of the cave, and even utilize VR goggles. The tour is free to access and can be found on the Museum's website (www.corvettemuseum.org) by clicking on the Explore – Exhibits menu, then selecting the Corvette Cave-In link. Pretty cool. Check it out!
