### **GOVERNOR'S REPORT**

If anyone would like to convert their magnet nametag to a pin, Doug has the pins available for this.

### **TREASURER REPORT**

In Ann's absence, Kevin Schneider reported on the finances of the Club and they were approved.

### **NATIONAL CORVETTE MUSEUM**

On February 12, the four-year anniversary of when the sinkhole opened inside the Skydome at the Museum, the Museum revealed the restored 1962 Tuxedo Black Corvette, placing it back on display exactly how it was prior to the collapse. The 1962 joins the other seven Corvettes that fell victim to the 2014 sinkhole, being placed on display in the Skydome where they were prior to the collapse. General Motors previously restored the 1992 'One Millionth Corvette and the 2009 ZR1 'Blue Devil.' Five of the Corvettes will continue to be left in the same state they were in after the sinkhole damage. To read this and other great stories about the Museum visit their website:

The 6th National Corvette Caravan is slated for August 28-31, 2019 and will mark the Museum's 25th Anniversary. Leading the charge will be Jeffrey Duda of Hainesport, NJ, a Lifetime Member of the Museum and previous co-captain of the New Jersey 2014 and 2009 Caravans.
