NATIONAL CORVETTE MUSEUM

Tours of the Bowling Green Corvette Assembly Plant will be closed after June 16, 2017. It will be approximately 18 months (January 2019) before tours resume after June 16th.

The Corvette Grand Sport was the official pace car for the 2017 Indianapolis 500 on May 28th, the 101st running of the legendary race. It marks the 14th time a Corvette has served as the official pace car, starting in 1978, and the 28th time a Chevrolet has led the field, dating back to 1948. No other vehicle has served as the pace car more than the Corvette.

The museum continues to offer great raffles and other fun opportunities for Corvette enthusiasts to participate in. Please visit the museum's website for more information on what they have to offer: www.corvettemuseum.com.

OLD AND NEW FOND DE VETTES NEWS

OLD BUSINESS:

Ed & Judy Foy hosted Get Your Car Out this year on Sunday May 7th. There were 22 Corvettes with 47 people who participated in the trip to Lambeau Field where we enjoyed a tour of the stadium and entry to the Hall of Fame Museum. We then caravanned to lunch at Anduzzi's by the stadium followed by a tour of the Green Bay Auto Museum, which was a great show of some unique and spectacular cars. The weather was chilly, but sunny and everyone enjoyed the day. Thank you Ed & Judy for hosting and planning this special day!!
