TREASURER REPORT

Treasurer Pat Schnettler reported on the finances of the Club and they were approved

NATIONAL CORVETTE MUSEUM

The 2019 Caravan was a huge success. There were over 12,000 people that attended the event in Bowling Green.

Yay Marybeth!! This year marks the 25th consecutive year that Club member Marybeth Burnett has travelled to and visited the Corvette Museum!!

In October, Chevy introduced the first hard top convertible, the 2020 C8 Corvette Convertible. Open-air driving has always been a part of the Chevrolet Corvette's heritage. In fact, when the Corvette debuted in 1953, it was available only as a convertible. The 2020 Chevrolet Corvette Stingray convertible builds off that heritage as the first hardtop and mid-engine convertible in Corvette history. Can't wait to see one of these out and about! For more information on the C8 convertible, check out the museum website:

The museum continues to offer great raffles and other fun opportunities for Corvette enthusiasts to participate in. If you wish to participate in a raffle you can purchase raffle tickets from the museum by mail order only. Please visit the museum's website for more information on what they have to offer:
