NATIONAL CORVETTE MUSEUM

A tornado roared through Bowling Green on Saturday December 11th leaving the Museum's Motor Sports Park significantly damaged. There was also some damage to the assembly plant. Although there were around 20 to 30 people inside the plant at the time, thankfully, no one was injured. The plant resumed production on the 20th. The museum itself did not have any damage.

When planning a trip to the museum, you can now book your hotel through the museum website:
<https://booking.corvettemuseum.org/hotel/list/14711>

The Museum continues to offer great raffles and other fun opportunities for Corvette enthusiasts to participate in. If you wish to participate in a raffle you can purchase raffle tickets from the museum by mail order only. Please visit the museum's website for more information on what they have to offer:

OLD AND NEW FOND DE VETTES NEWS

OLD BUSINESS:

Our Club participated in ringing the bells for the Salvation Army on Tuesday December 7th. We covered eight different locations on a very chilly night. Afterwards members met at Backyard to warm up and grab some grub and drinks. Thank you to all of you who got out there and rang those bells! Also, thank you Ed Foy for coordinating and planning the evening for us again this year!

If there is anyone who would like to take on this task of coordinating the bell ringing for the Club next year, please let Ed or one of your officers know.
